Introducing Scalp Rebalancing Essence

Singapore – March 2015 Introducing TrichoKare signature treatment with Scalp Rebalancing Essence that contains Lavender, Verbena and Citrus extracts that aims to protect scalp naturally and effectively.

The main efficacies of the product soothes and cleanses scalp while rebalance pH level of scalp. It improves scalp metabolism and renew scalp cells to help fast healing of any inflammation, redness and itch. It is suitable for all scalp condition.

Scalp Rebalancing Essence comes with comb tips to massage acupuncture points and regulate scalp functioning by improving scalp blood circulation to leave hair lustrous and healthy.

All ingredients have associated benefits for hair reconstruction and strengthening as well as scalp protection.
